Notification dated 8th June 1953.

No. A. 1 (14)—52-53. The following bye-laws framed by the City of Bangalore Municipal Corporation under clause (16) of section 367, read with section 369 of the City of Bangalore Municipal Corporation Act, 1949 (Act No. LXIX of 1949), for regulating the use of places for Gilding and Electro-plating in the City of Bangalore, and sanctioned by the Government of Mysore under section 370 of the said Act in their Order No. L. 1417-20—C.M. 27-53-19, dated the 4th May 1953, are published for general information. The sanctioned bye-laws will come into force from the 1st October 1953.

Bye-laws under clause (16) of Section 367 read with Section 369 of the City of Bangalore Municipal Corporation Act, 1949, for regulating the use of places for Gilding and Electro-plating in the City of Bangalore.

1. Any person using any place for gilding or electro-plating shall cause all refuse or other matter which may have fallen or have been deposited upon any part of such premises to be collected and placed in suitable covered air-tight non-absorbent receptacles to the satisfaction of the Commissioner. He shall cause all such refuse to be removed from such premises at least twice in every 24 hours and shall be disposed of in such manner as may be approved by the Commissioner.

2. He shall provide and shall cause every means of ventilation upon or in connection with such premises to be maintained at all times in good order and efficient action so as to permit the escape of all gas, vapour, fumes, dust, or other impurities produced or generated in such premises.

3. He shall provide and shall cause to be maintained at all times in good order and efficient action all such means and appliances as are necessary for rendering innocuous of all gas, vapour, fumes, dust or other impurities emitted during any trade process either from the articles operated upon or from the contents of any receptacle upon such premises or from any source whatever connected with the trade.

4. The premises shall be sufficiently spacious and suitable for the purpose of the business intended to be carried on there.

5. He shall cause every part of the internal surface of the walls and ceiling of every building upon such premises to be hot-lime-washed at least twice in every year in the months of April and October or more often if so required by the Commissioner.

6. He shall provide and shall cause every drain or means of drainage upon or in connection with such premises to be maintained at all times in good order and efficient action.

7. He shall at all times adopt and cause to be maintained in good order and efficient action upon such premises all such means and appliances as the Commissioner may from time to time require for the prevention of inhalation of dust, dirt, gas, vapour, fumes or other impurities and for the purpose of preventing any injury to any person employed therein or preventing, abating or minimising any nuisance or annoyance to the neighbourhood or to the public.

8. He shall not permit any part of the building in such premises to be used at any time for purposes of human habitation nor shall such building open into or on any thoroughfare or place of public resort.

9. No leper and no person suffering from an open sore or any loathsome, infectious or contagious disease shall carry on the business referred to in bye-law No. 1 and shall employ a leper or any person suffering as aforesaid to assist him in carrying on such business.

10. Whoever commits a breach of any of the above dye-laws shall be punishable :—

(*a*) with fine which may extend to rupees fifty and in the case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach ; or

(*b*) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.
